THE GIFT OF FAMILY

Creating Families, LLC, founded by Attorney Victoria T. Ferrara, provides the finest and most attentive, individualized and personal representation for their clients who are taking the journey toward parenthood, and for the surrogates and gestational carriers who are giving the gift of life and family to these Intended Parents. With a staff of lawyers and paralegals, and a network of physicians, psychologists and other professionals, Creating Families, LLC and the Law Firm of Victoria T. Ferrara, P.C. distinguish themselves from other agencies because of their extraordinary ability to provide the highest quality of service and representation by taking the journey side by side, and every step of the way with their clients.
